Teaching/Director Position for 2018-2019 School Year

Anchorage Cooperative Preschool is pleased to offer a wonderful opportunity for a full-time, salaried teacher/director in a classroom for children ages 3-6.

We are looking for a strong, passionate, positive teacher/director who wants to lead our school. This is a very unique position, as it is a director/teacher hybrid role. Our ideal candidate would have 5+ of teaching experience as well as some demonstrable office/administrative experience. In addition, some familiarity with play-based learning and the cooperative preschool model is desired. At minimum, our ideal candidate should have:

- An Associate Degree in early childhood education
- Current SEED level 9 or ability to reach level 9 before start of school year (information to be provided)
- Current first aid and CPR
- Three positive written references
- Positive background check
- Working knowledge of Child Care Licensing rules and regulations preferred
- A willingness to complete continuing education training hours as required by the Municipality of Anchorage Child Care Licensing
- Be willing to start on August 13, 2018

Anchorage Cooperative Preschool was formed over 47 years ago by a group of parents who wanted to become an integral part of their children's learning experience. As a cooperative, children, staff and families work together to create a community dedicated to nurturing children's unique talents and needs. Our curriculum is play-based, inspiring age appropriate learning.

At Anchorage Cooperative Preschool, we believe that children benefit from a learning environment where all areas of their development: social, emotional, cognitive, and physical can be stimulated. Our goal is to create an environment where children can explore, discover, learn, and gain social skills while becoming familiar with school structure and group dynamics in preparation for kindergarten.

- Anchorage Cooperative Preschool is one of small handful of preschools in Anchorage following a cooperative preschool model.

- The school day includes creative expression, imaginative play, science and math exploration, building, books, music & movement, circle time, sharing, snack, and outdoor play.
- Classes for children age 3-6.
- Up to 20 children per class. Ratios are often quite low between teachers and parent helpers.
- Follow ASD calendar school year minus a few small changes.
- Encourages families to be involved!

Pay is competitive with opportunities for perks. Starting Salary \$16.00/hour dependent on experience.

All interested individuals should submit a cover letter expressing their reasons for applying and resume to:
