

Jump Start Your Future with thread's New Training

Whether you're a new child care professional, obtaining a Child Development Associate (CDA) credential or need advanced training, **thread's** new training format gives you everything you need to succeed.

Here's what's new.

* 3 new levels each consisting of four 10-hour sessions give you the training you need.

Level 1 (Entry): Planting the SEED of Success

- Maintaining a Commitment to Professionalism
- Planning a Safe and Healthy Learning Environment
- Supporting Children's Social and Emotional Development
- Building Productive Relationships with Families

Level 2 (Mid): Early Childhood Fundamentals

- Advancing Children's Physical & Intellectual Development
- Understanding Principles of Child Development
- Observing & Recording Children's Behavior
- Managing an Effective Program

Level 3 (Advanced): Advancement in Early Care & Learning

- Leadership Matters
- Assessing Program Quality
- Including all Children
- Overview of the CDA Components

* Take classes at your convenience. Completing levels 1 and 2 give you the core CDA training. Visit **thread's** website for your local schedule.

* Now, pay as you go. For CDA financial assistance, contact **thread** about the Pathways to Professionalism training stipend.

* Already started your CDA? Contact **thread** to find out where to jump in to continue your professional development.

6-hours of instruction + 4-hours of homework make up each 10-hour session
