CAMP FIRE TO OPEN EMERGENCY CHILDCARE PROGRAMS

In light of the emergency ASD school closures, in order to give children a safe place to be so parents can return to work, Camp Fire will provide emergency childcare **to currently registered families on Wednesday, Thursday and Friday, December 5th – 7th.**

We will provide full day programming from 7 a.m. to 6 p.m. at the following locations:

Huffman Elementary; 12000 Lorraine Street; Anchorage, AK 99516
Nunaka Valley Elementary School; 1905 Twining Drive; Anchorage, AK 99504

The fee for service will be \$45.

Currently enrolled Camp Fire Alaska families, regardless of their regular Camp Fire site, can sign their children in at either one of the above sites with no prior enrollment. **Please know we have a limited number of slots, and will accept children on a first-come, first-serve basis.**

As the Anchorage School District releases schools, we will do our best to get additional sites up and operating.

Watch Camp Fire Alaska's website at www.campfireak.org or our Camp Fire Alaska Facebook page for updates.

Camp Fire understands that there likely are non-registered families in need of childcare, once we are able to determine how many Camp Fire families need access to childcare, we will open up additional slots for non-enrolled families as we are able.

For more information, please call 907.279.3551.
