

## **Mat-Su Family/Business Support**

If you or your business is in need of assistance with clean-up or debris removal, please contact United Way of Mat-Su. Team members are collecting information from local agencies and businesses in hopes of mobilizing volunteers soon.

CODI (Compassionate Directions) is offering 30-minute appointments to children in the community (ages 3-18) who may need assistance processing the recent earthquake.

Service is free of charge and children do not need to be current CODI clients.

For more information, please call (907)745-2634.
